The picture above was taken of my new parents-in-law’s. Cats, even those living indoors, like to go on walks. Cat Taught Me English, by Scopiefox and Scopewriter, is a fun, easy way to teach your cat to speak. With more than 100 cat phrases and words, this is the perfect activity book for young and old cats alike. While researching and writing, the authors found out that cat language can have 5 different grammar rules: HALF FIVE: Before the sentence, the subject and object are separated by the conjunction. Subject and object are separated by the conjunction, so here the subject and object are separated by the conjunction. So, what is the difference between a cat sentence and a cat phrase? A cat phrase is not “The cat ate the mouse.” That is a cat sentence. It’s a general statement, a fact, or a description. An example of a cat phrase: “The cat jumps up on the bed.” If you are reading this, then I bet you’re wondering how your cat is communicating with you.
